Meet My nrma

My NRMA is a new membership program that gives more rewards more often, more inspiration to go explore the best of what Australia has to offer, and more opportunities to get involved and make a positive difference in communities across the country.

It's all on the app

From benefits and perks to travel inspiration, advice and volunteering opportunities – you'll find it all in the My NRMA app. It's the place to go to access everything membership has to offer.

Be rewarded

Enjoy exclusive perks from our family of businesses, savings with loads of partners, and earn rewards along the way.

My perks

As owners of the NRMA, members can access special perks from our family of businesses including SIXT, NRMA Parks and Resorts, our marine offerings, and our tourism assets in Tasmania.

Members best price

You'll always enjoy the best available price at the time of booking, so there's no need to look for the best deal.

Members flexible cancellation

Book with peace of mind, knowing you have the most flexible change and cancellation terms on offer.

And there's plenty more to come, as we continue to develop more ways to reward our members for being part of My NRMA.

My discounts

With the collective power of almost 3 million members, we're able to negotiate savings through our extensive network of partners. That means you can save more often with discounts from some of Australia's biggest brands. From fuel and groceries to dining out, household utilities and insurances. And that's on top of the perks you enjoy with our family of businesses.

Go exploring

Find handy tools and loads of inspiration to help you see more and experience more adventures in unique locations.

There are many ways we help you on your journey. Whether it's helping you find somewhere to stay, booking a hire car, our legendary roadside assistance or the ability to search for fuel, parking, attractions and nearby benefits in the My NRMA app.

We're always putting together the most inspiring content to encourage journeys near and far. We're also developing enhanced tools and functions that will soon help you plan your getaways in detail, rate your experiences, share tips and memories, and more.

Road trip inspiration

If you're planning to explore this amazing country of ours, make us your first destination. From where to go and where to eat, to secret spots and big attractions, you'll find loads of articles, road trip itineraries, local guides and more on the My NRMA app.

Explore with purpose

Whether it's volunteering in local communities, immersing yourself in a First Nations cultural experience or helping to stimulate regional economies – we'll help you find a range of ideas to make your next journey more unique and beneficial.

Get involved

Explore ways to make a positive impact on communities in need.

Over the last 100 years, we've been there to work alongside not only our members, but the communities where we all live, work and explore — be it in times of crisis such as floods, fires and pandemics, or with causes that have ongoing need such as helping vulnerable members of the community. That's why we've partnered with GIVIT to give our members more opportunities to get involved and really make a difference.

How to volunteer or donate

Right now, you can search for current volunteering opportunities, or offer to donate your time and unique skills either on the ground or remotely. It's all on the My NRMA app, simply head to the Community tab and tap Get involved.

And volunteering is just the beginning. We're working together to open up more ways for members to help out through the donation of household goods and necessities, money and vouchers, and to give you the ability to share your thoughts on how we can better support the causes you care about.

“Volunteering has not only allowed me to make a difference, but it has also enriched my own life. I feel good knowing that I am using my time and talents to help others and give back, and it is rewarding to hear how that's made a difference in people's lives.”

Hayden, GIVIT volunteer

We'll still keep you moving

At every stage of car ownership, we'll provide you with the products and services you need, on and off the road.

As a member you can also get access to a range of discounts on NRMA owned products and services. From new car batteries and driver training to car loans on new or used cars and car history reports to help you make an informed decision. We'll be there for you on your motoring journey, every step of the way.

Roadside assistance

Get award winning roadside assistance 24/7, across Australia with one of our packages. You'll be covered for everything from flat batteries and tyres to towing and locked in keys. We even have cover options for young drivers and those with business vehicles on the road. Plus, you can easily request roadside assistance using the My NRMA app and track us on our way.

To find out more about our packages, visit mynrma.com.au/join-roadside

Everything electric vehicles

From buying, hiring and charging to expert advice and info, we're your go-to for everything electric vehicles (EVs).

Whether you already own an electric car, are in the market for one or just want to stay up to speed with the latest news, reviews and availability, we're committed to helping everyone with this transition. With a large number of EVs in our SIXT car rental fleet, you can even try one on your next road trip.
